

New Vernon Garden Club  
New Vernon, New Jersey

The Harding Township Environmental Commission and  
the NVGC Presents

**"Emerald Ash Borer," with Jon Rafalowski of Tree-Tech**  
Wednesday, March 16, 2016, 7:30p.m. at Kirby Hall  
Light refreshments will be served.

Come learn about this invasive pest that kills all species of ash trees. It has already been found in three New Jersey counties, Pennsylvania and New York. He will provide useful tips on identifying the Emerald Ash Borer and advise homeowners on treatments that are considered viable options for maintaining the health of ash trees.

The NVGC March Meeting:  
**"How Does Your Vegetable Garden Grow?"**  
with **Marc. E. Zukovich, President, Sterling Horticultural Services**

Thursday, March 17, 2016 at New Vernon Presbyterian Church  
9:00 Coffee - 9:30 Meeting - 10:00 Program

This is the year to start your own vegetable garden or improve your existing one. Come learn everything from the basics of building your own veggie garden to savoring the just picked deliciousness of your crop.

*"Nature, time and patience are the three great healers."*
