APPROVAL OF SEPTIC PERMIT EXTENSION:

First Septic Permit Extension for: Steve McCann, Block 6, Lot 13.05, 65 Village Road

Mr. Byrnes provided the Board with the following update. The septic was approved late 2018 early 2019. It has been over one year and the septic permit requires an extension to their permit. The septic is located in the front of the house. They did not want to drive over the septic during construction of the house and are now ready to install the septic.

Dr. Cervone asked for a motion to approve the septic permit extension for 65 Village Road. Upon a motion made by Mrs. DiTosto, seconded by Dr. Lacz, and with a vote of all ayes, none opposed, the septic permit for 65 Village Road was extended for one year.

Let the record show that Dr. Kao arrived at 6:33 p.m.

OTHER MATTERS THAT MAY COME BEFORE THE BOARD AND HEARING PERSONS PRESENT:

Dr. Cervone informed the Board that Dr. Carlos Perez, Jr., sent an update regarding the COVID-19. A copy has been appended to these minutes.

Dr. Cervone asked Mrs. Sharp to provide an update to a conference call that was held. Mrs. Sharp reported that a conference call was held with Dr. Cervone, Mr. Byrnes, myself, Mr. Falzarano, and Mayor Yates regarding an email from one of the food establishments regarding curb side pick-up. The direction was for Mr. Byrnes to contact Dr. Perez or Mrs. Gorman to see if there were any licensing or permitting requirements for the retail food establishments to do this. Mr. Byrnes reported that there were no licensing or permitting requirements for

the restaurants to provide delivery and take out. Mr. Byrnes sent an email to all restaurants with this information. Mr. Byrnes has also been keeping the restaurants informed of any information they are required to have.

Dr. Cervone asked Mr. Spelker, Superintendent of Harding Township School to provide an update. Mrs. DiTosto and several members of the Board mentioned that Mr. Spelker has done a great job with the school's roll out regarding remote learning. Mr. Spelker reported that the community has been very supportive and very supportive of the teachers. About 95 percent of the faculty are working from home. There are three to four faculty members that are in but that will change. Currently, the grounds people are in and the sanitation are in at night. We want to limit exposure. If a resident needs to come in and retrieve work due to they were out on that Friday, they can come in, acquire the work, and then quickly leave. A question was asked if there will be physical education. Mr. Spelker mentioned hopefully by the end of the week. The physical education is slightly more challenging. A question was asked if hygiene could be reinforced. Mr. Spelker reported that the Nurse visited all the classrooms and reinforced good hygiene. A discussion on when Mr. Spelker believed what the next touch point for the School would be. Mr. Spelker explained that the State closed down today and Mr. Sordillo, BOH Attorney mentioned that the school cannot reopen until the State of Emergency and Executive Order have been rescinded.

A question was asked about what happens with the 8th graders that will be going into High School. Mr. Spelker explained that he will contact the Madison Superintendent and discuss this. Mr. Spelker mentioned that there is a trip to Washington, D.C. in mid-May for the 8th graders. We are monitoring this and will have to make a decision soon on whether to continue or cancel.

A discussion on whether the Board of Health should continue weekly meetings ensued. Mr. Sordillo, BOH Attorney, explained with the Governor's State of Emergency and Executive Orders, the County is the vested local power and enacts the policy. A discuss ensued. It was decided that the BOH weekly meetings would not be required. Mr. Sordillo mentioned that the Board of Health can make recommendations and ask opinions. For now, the Board will keep their April 9th scheduled meeting at 7:30 p.m. If this changes, Mrs. Sharp will send out notices. The Board thanked Mr. Spelker for attending.

Dr. Cervone thanked Mr. Falzarano and Mrs. Sharp for all their efforts during this challenging time. Dr. Cervone asked how the first responders were doing with masks, gowns, gloves. Mrs. Sharp mentioned that the First Aid Squad believes they currently have enough. The Police are short on masks and gloves. Dr. Kao mentioned he dropped off a box of masks to the Police Department. Dr. Cervone mentioned that these items have been difficult to receive. Dr. Lacz reported that there are three Med Express Labs that are conducting the COVID-19 test; East Brunswick, Totowa, and Rockaway. The criteria for the labs are: symptoms and risk of exposure. Dr. Cervone mentioned that his practice is doing the Telemedicine.

Mrs. Sharp will continue to provide updates by email to all Board members.

ADJOURNMENT:

Seeing no further business, a motion to adjourn was duly made by Mrs. DiTosto, seconded by Mrs. McKittrick, and with a vote of all ayes, none opposed, the meeting adjourned at 7:40 p.m.

Respectfully submitted,

Lisa A. Sharp
Secretary, Board of Health
