Management Plan
Scudder

The Scudder property is located along Post House Road. The property is a 10.93 acre wooded lot with a meadow to the rear of the property, acquired in 2002. Harding Township owns only 18% of the title to this property as tenants in common with the New Jersey Audubon. The frontage on Post House Road is steeply wooded to a meadow beyond. Public access is available by parallel parking along Post House Road.

Goal

Goals for the Scudder property are set by the New Jersey Audubon which has stewardship responsibility for this property.

Method to Achieve Goal

In the stewardship of this property, subject to Green Acres regulations related to transfer and diversion, Harding Township will defer to the New Jersey Audubon so long as there is no financial consequence to Harding Township.
